

Profidata at the 9th VÖIG-Fondstage, 2022

From May 18-20, 2022, Profidata participated in the 9th VÖIG Fund Days in Linz, as Austria is an important market for XENTIS. After two years without events due to Covid-19, it was a pleasure to meet customers and colleagues in person again. It was two days full of interesting presentations and good conversations.
