Appointment of Marc Widmer as Chairman of the Board of Directors of Profidata Group AG

Marc Widmer is the newly appointed Chairman of the Board of Directors of Profidata Group AG and successor to Christian Widmer.

Profidata Group is known for its continuity and long-term goals. This also requires a well designed succession plan. With his official resignation as Chairman of the Board of Directors and as Group CEO, Christian Widmer has taken this step as of April 18, 2023 and passed these responsibilities into the hands of his son Marc Widmer. Christian Widmer will remain on the Board of Directors as an ordinary member and shareholder. The Profidata Group includes Profidata AG, Profidata Services AG, Profidata Managed Solutions AG and Profidata XLab AG, as well as the subsidiaries itechx GmbH, abraxas GmbH and Arkus Financial Services SA.

Christian Widmer is convinced of the ongoing success of the Profidata Group: *"Marc has succeeded in acquiring a profound knowledge of our clients, products and services during his many years within the Profidata Group. Together with his strategic skills, these are excellent prerequisites for continuing the success story of the Profidata Group."*

Marc Widmer joined Profidata in 2003 and has been a member of the Board of Directors of Profidata Group AG since 2016. He remains obliged to his operational function as Senior Consultant until further notice.
